

Guidelines for Sunday School Re-Opening

Ages: 3 y/o-5th grade

Please know that this is a no judgement zone. If you are comfortable to come, we are ready and are excited to see you! If you are not comfortable with coming, we miss you, but we understand. Sunday school videos and lesson sheets will be sent weekly as long as necessary.

Currently, all rooms are sanitized and then locked to keep them clean. This happens after every use.

We will not require masks, but if you want your child to wear one, please do so.

We will not be taking temps in Sunday school. However, I do have a non-touch thermometer just in case anyone has a concern. We understand that fevers can spike suddenly.

We will ask that every teacher and child wash their hands or use the provided hand sanitizer upon entering a room and prior to leaving.

As always, we ask that your child stay home if they experience the following: temperature of 100 degrees or higher, has symptoms of any illness, has a cough or drainage from nose. Please allow your child to return when they have been symptom free for 48 hours.
