Facebook has changed 'Notifications' for all groups again. They have automatically switched members of many groups to receive "Highlights" instead of all posts. This means you will only see about 1 in 10 posts on the group you're in.

To change these settings go to the group page
(You need to do this for every group you're in) then;

1. Click the 3 dots in the top right hand corner of the group page.
2. Click notifications/manage notifications.
3. Change from "Highlights" to "all posts"

Randi and JR Ray would like to say a big THANK YOU for all of your cards, texts, calls and most importantly prayers for JR's healing! We love our Grace family!
