

BIBLE FOCUS (THE BASICS)

Can you imagine having an angel come and tell you what it was that God wanted you to do? Well, that's exactly what happened to Philip. He'd been preaching to these huge crowds, and now God wanted him to go down a remote desert road. Philip did it—no questions asked.

By obeying God, Philip was able to tell someone on the road—an Ethiopian official—about Jesus. This man, when he heard what Philip had to say about Jesus, wanted to be baptized right away! He was someone else who wanted to obey right away! Philip and the Ethiopian are excellent examples of responding to God immediately. Don't you want to be like that, too?

Key Verse: "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight" (Proverbs 3:5-6).

Bible Point: Follow where God leads.
