

In the Bible

GOD SENT THE HOLY SPIRIT TO THE DISCIPLES—AND IT CHANGED THEM! WHERE THEY HAD BEEN FEARFUL AND TIMID, THEY BEGAN TO SPEAK BOLDLY ABOUT JESUS. THEY WERE ABLE TO SPEAK IN LANGUAGES THEY HADN'T KNOWN BEFORE. AND THEY CLEARLY PRESENTED THE GOSPEL TO JEWS IN JERUSALEM.

- How has knowing Jesus and accepting the gift of the Holy Spirit changed your family's life?
- How has knowing Jesus and accepting the gift of the Holy Spirit changed your life?

Daily Challenge

Choose a way you'll rely on the Holy Spirit this week:

- Spend time listening for the Holy Spirit this week. When you think you hear the Spirit leading you, follow the leading!
- Talk to someone about Jesus this week. Before you do, pray that the Holy Spirit would help you say the right words, words that person needs to hear.
- Spend some time reading the Bible. Before you begin, pray that the Holy Spirit would help you understand what you're reading and give you insight into what God wants you to get out of the passage.

Family Fun

For an adult to learn a second language, it takes some time!

The Holy Spirit let the disciples learn other languages immediately. As a family, do some online research to learn how to say "Jesus loves you" in other languages!
