

We are planning another trip to **Pelican Lutheran Mission** in Naples, FL (June 19 – 23, 2023) to teach English to the local Hispanic & Haitian communities.

Volunteers only need to know English. Funding is available to help defray some of the trip expenses. Contact Carol Voorhees for more info: 865-230-2382

*The Mission Trip to Naples last summer was a delightful experience. We were also helping support a highly successful Christian outreach to this population group. To my surprise, many of the students I met had been leaders in their own county and were willing to come here and start at the bottom all over again. I was impressed. John McCay*
